

EYFS LEARNING LOG

Date Set: 19th February

Date Due: Completed by 23rd March

TOPIC: Are Eggs Alive?/Which Is The Biggest Dinosaur?

The expectation is that every child completes 2 tasks.

If you complete more (or even all of them!) that would be fantastic!

<p>Make and/or decorate an egg with any materials of your choice. Write about how you made and/or decorated the egg and why you chose to make it the way you did.</p>	<p>Design a poster to show the life cycle of a chicken (egg, chick, chicken). Draw pictures to show what happens and label your pictures. Write sentences to explain the process.</p>	<p>Practise reading and writing phase 2 and phase 3 tricky words. Can you write some sentences using some of the words? Read them back to an adult. Have you remembered full stops, finger spaces and capital letters?</p>
<p>Write a shopping list to take to the shop. In the shop, look at your items' prices with an adult. Help your adult to pay for the shopping using coins. Take pictures to show your class along with your list.</p>	<p>Bake a cake! With an adult, find a recipe to follow. Help to measure out the ingredients carefully and to mix and pour. Take pictures and label them to explain how you made the cake.</p>	<p>With a tape measure or ruler, go on a length walk around your house or area. Measure the different objects you find. Take pictures and display your measurements in any way you choose.</p>
<p>Challenge 1: Find and read some poems about dinosaurs or chicks. Bring in your favourites to share with your class. Have a go at writing your own poem and see if you can make it rhyme!</p>	<p>Challenge 2: Make an Easter bonnet out of any material of your choice. Try to add as many details as possible. Write instructions to explain how to make the bonnet.</p>	<p>Challenge 3: Make an information booklet about dinosaurs. Research some facts about different dinosaurs and make a booklet to display them. Draw pictures and write captions to make it look realistic.</p>

Every week you must also:

- Read your reading book
- Practice your phonics
- Practice number recognition and counting
- Talk to your Mum, Dad or Carer about your school day.

Parent/Carer comment: Did your child enjoy completing the task with you? Were they enthusiastic in completing the task?

How did you find your homework - colour in 1, 2 or 3 smiley faces:

Every task completed = a sticker

2 or more tasks completed = a certificate

Completed tasks will be celebrated at the end of the half term

We will have an opportunity each Monday to share homework.
