

## YEAR 1 LEARNING LOG - SUMMER 1 2018

Every week please ask your child to choose one of the activities below for their homework. Please date it on the grid when it has been completed and sign the feedback sheet adding any comments about how your child approached/found the homework. If you need paper or other resources to complete any of the tasks, please ask the class teacher and we will be happy to provide them.

**Homework should be given in every Wednesday and books will be given back out on a Friday.**

### TOPIC: PAWS, CLAWS AND WHISKERS!

<p>Visit your local library and search for books on different animals and their habitats. Read and talk with an adult about the books you find. Perhaps you could bring the books to school to share with the class?</p>	<p>Look at the animals you see in your garden and record these over a period of time in a bar chart.</p> <p>Which animal did you see the most of? Which was the animal you saw the least of? What is your favourite?</p>	<p>Can you make up your own animal song or rhyme? Can you teach it to your friends and perform it to the class?</p>
<p>Write a report about your favourite animal or an unusual animal. Where does it live? What does it eat? How long does it live? What sort of habitat does it live in? Write about what makes this animal special and why you like it.</p>	<p>Practise writing the numbers 0 - 50 in numbers and words.</p>	<p>Draw, collage or paint your favourite animal and where it lives.</p>
<p><b>WRITING CHALLENGE!</b> Design your own animal. What features does it have? How fast is it? Where does it live?</p> <p>Write about an adventure your animal has.</p>	<p><b>MATHS CHALLENGE!</b> Ask friends and family what pets they have and make a chart to show which is the most popular pet.</p>	<p><b>CREATIVE CHALLENGE!</b> Create your own animal. You can draw and label it, or make a 3D animal using recycled materials.</p> <p>Go on be creative!</p>

**Each week you should practise counting in 2's, 5's and 10's, learn your spellings, and read your reading book every day.**
