

21th September 2017

Parkland Aspirations Week

Dear Parents/Carers,

At Parkland we hope to raise aspirations for all of our pupils in our drive to have high expectations for all. We are delighted to announce that we will be holding **Parkland Aspirations Week** the week beginning Monday 25th September. Each year group will be organising exciting activities to engage the pupils and get them to consider their futures. We hope pupils will be able to explore the wide variety of jobs there are and the opportunities available to them, as well as thinking about their own strengths and preferences.

South Wigston High School are coming to play musical instruments for KS2 on Monday and we have a range of visitors coming to talk to students across the school. Our week will finish with children **dressing up** as someone who inspires them on **Friday 29th September** – please take time to think who your child wants to come as (the more inventive the better!)

We hope you enjoy hearing all about the activities from your child/children.

Yours sincerely,

J Andrews
