

18th September 2017

Library visits *In partnership with South Wigston library*

Dear Parents and Carers,

As part of our drive to encourage our pupils to read widely we have arranged visits to South Wigston Library for pupils in Years 1-6. These visits will take place over the next 3 weeks:

- Week beginning 18th September: Years 2 and 6
- Week beginning 25th September: Years 1 and 3
- Week beginning 2nd October: Years 4 and 5

Diane at the library always welcomes us and supports us in developing a love of reading across school. Diane will also be attending our reading event this Friday morning, sharing information about what the library offers.

We look forward to continuing to work in partnership with the library and hope you agree with us that encouraging reading is important.

Yours sincerely,

Mrs J Andrews
Deputy Headteacher
