Dear Parents/Carers,

## Mathletics

Your child is using Mathletics as part of their mathematics program at school. Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to curriculum standards. Your child has take-home access to Mathletics – they simply sign in with their school username and password using any compatible computer or mobile device.

The extra Mathletics practice at home can make all the difference to your child's progress. Mathletics encourages them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Your child will be set a task each week to complete.

You can keep track of your child's maths progress by following the steps below

### **Sign up for FREE progress updates in 3 easy steps:**

1. Visit [www.mathletics.com/parent1](http://www.mathletics.com/parent1)
