Dear Parent & Carers,

Over the last term, Discovery Schools Academy Trust ('the trust') has been working with Parkland Primary School and considering its plan for ensuring before and after school provisions and holiday clubs are available to children who attend the school.

The trust has taken the decision to conclude its arrangements with the Sunbeam Club based at Parkland Primary School from Friday 23rd March 2018.

It has been decided that all our schools in the trust should work towards running before and after school care and holiday clubs as part of an integrated education offer that meets the needs of all our children.

There is a need for all schools to maximise the use of their sites to their full potential to generate much needed income. Therefore, the school will continue to run before and after school clubs and holiday clubs after Easter 2018. We are working to ensure that there will be no disruption to families or price increases for activities.

Parents have the choice to send their children to any provider they wish and we encourage parents to choose a provider that best meets their needs.

We will write to you further in due course with further information.

We and the trust recognise the huge part Alison Chapman and the Sunbeam Out of School Club have played at Parkland Primary School and we would like to thank her and the team for their contribution to the children and school.

Kind regards,

Sarah Bishop
Headteacher, Parkland Primary School

Paul Stone
