## Non-uniform day: Asha Fundraising

Dear Parents and carers,

I am sure that you have seen the terrible problems that India is facing due to the COVID crisis. There are many people who live in the Delhi slums and normal day to life is hard enough. There are hundreds of thousands of people living in cramped and dirty condition. Imagine living in those conditions and having to try to stop coronavirus!

DSAT work with a charity called Asha who work tirelessly to support the people who live in the slums. During this incredibly difficult time they are going into the slums to help people who are suffering from COVID-19. In Delhi at the moment there are no hospital beds, no COVID tests and there is no oxygen available.

The Asha team are taking masks and medicine into the slums to help as many people as they can. They are risking their own lives to do this. Asha are asking for help to buy more resources. On **Friday 14<sup>th</sup> May** Parkland are having a **non-uniform day** and we are asking for donations for Asha.

Please see more about the Asha charity at: <https://asha-india.org/> or listen to the Asha founder Dr Kiran here: <https://asha-india.org/asha-covid-19-emergency-response-an-urgent-message-from-dr-kiran-martinfounder-and-director/>

Please support in any way you can.

We can save lives.

Thank you,  
Yours sincerely
