

Clockwise Credit Union

safe savings & affordable loans

GREAT NEWS

Parkland School Bank is happy to welcome customers back from
Wednesday 4th November 2020.

The Bank will be open as usual every Wednesday morning 8.30am – 8.45am in the Year Five building, Key Stage Two Playground.

Existing customers and those wishing to find out how to open a new account are very welcome.

Teaching your child to save from an early age is a vital life skill. Help your child/children to learn to save their pocket money and birthday money, to buy larger items they would really like, or save for events such as Christmas and holidays, by opening an account at the School Bank.

Initially, Mrs Brown will run the School Bank while we ensure COVID safety measures are put in place. When we feel that it is safe to do so, job adverts will be issued to Year 6 pupils, providing them with the opportunity to apply to work with Mrs Brown to run the School Bank.

If you are accompanying your child to the School Bank please ensure you wear a face mask, make use of the hand sanitiser, which will be supplied, and keep Socially Distanced.

We look forward to seeing you at the School Bank.

Mrs S Phillips
Assistant Headteacher
