School Improvement for Mental Health and Wellbeing

Dear Parents/Carers,

Parkland is always looking at ways we can improve and we know that now, more than ever, mental health and wellbeing is essential.

In order to evaluate our current provision, we need your input. Your views are important in helping us understand what we are doing well and how we can do even better.

Please follow the link below to complete the survey. It should only take a couple of minutes. Please respond within the week. All responses and suggestions will be carefully considered and used to plan a range of school improvements.

Thank you for your support.

Evaluation submissions are valid between: 01/11/2021 - 15/11/2021. Your submission will not be accepted outside of these dates.

Yours sincerely
