**Transition to secondary school webinar:  
Supporting your Year 6 child with the ending and new beginning**

Date: **Monday 27th June 2022 Time: 5-6pm.**

Venue: **Virtual via Zoom**

Dear Parents and Carers,

The transition from primary to secondary school is a milestone for children, and this big change naturally causes mixed feelings such as sadness, anxiety and excitement. Due to the pandemic, children have had to manage a lot of uncertainty, and they have spent more time at home with their parents/carers which may leave them feeling a little more anxious about their move to secondary school. Such transitions are also significant for parents and caregivers who naturally require time to adjust.

This webinar for parents/carers of year 6 students will offer ideas on the possible impact of this big change on children, and tips on how parents/carers can support and guide their children through the transition. Space will be made for parents/carers to reflect on what this change may mean to them as well, and there will be an opportunity to ask questions at the end.

You are invited to a **Zoom meeting**. When: **Monday 27th June 2022 Time: 5-6pm**
