Dear Parents and Carers

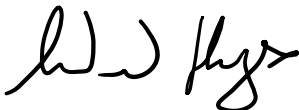

Butterfly Beacons Drop In Sessions

Butterfly Beacons is a Co-operative CIC (community interest company) charity that provides support to women and their families to improve their wellbeing. I am pleased to share that this charity will be hosting two drop-in sessions at Parkland Primary School on Monday 18th March and Monday 8th April from 8:30am until 11:30am. During this time, they will be able to share with you how they can support families within our community but also signpost you to any further support that is available locally to you.

Their community bus will be parked in our school carpark, by the key stage 2 playground entrance, for you to access after you have dropped off your child. As a school we want to engage with local charities to ensure that we can provide as much support as possible to our families and local community.

Please make sure you drop by to say hello and see how Butterfly Beacons could help you. I have attached some information with this letter which explains what the charity is and how they can help.

Yours sincerely,

Mr A Hayes
Interim Headteacher
