Dear Parents/Carers

Tesco Stronger Starts Voting

I am delighted to inform you that Parkland Primary School has been successful in an application to access funding from Tesco to support our school environment. The money we will receive will be used to create a sensory garden specifically designed to support children with Special Educational Needs and Disabilities (SEND) and promote wellbeing for all pupils by providing a space to teach mindfulness and self-regulating techniques.

The project with the highest number of votes across our local area will receive £1,500, the second placed project £1,000, and the third placed project £500. If we are successful in receiving the highest number of votes, we will receive the amount that was requested in our application (or up to £1,500).

To support us in this initiative, you can simply vote by making a purchase within the following Tesco stores:

Aylestone Lane Express, South Wigston, Narborough Express, Aberdale Rd Leics Express, Leicester Saffron Express, Leicester Lutterworth Express, Rowley Field Leic Express, Leicester Forest East Express, Leicester Evington, and Countesthorpe Express.

You will receive one token per transaction, and it is not necessary to purchase a carrier bag to receive a token. Simply drop your token in the Parkland token collection point.

Voting opens at the beginning of April and will close at the end of June. Your support in this initiative is greatly appreciated, and together we can create a positive and supportive environment for all our pupils.

Thank you for your continued support.

Yours sincerely,

Mr A Hayes
Interim Headteacher
