

Payment Options for Breakfast and After School Club

Dear Parents/Carers,

As we approach the date of launch for your Breakfast and After School Club bookings with Childcare Bookings and Discovery, we wanted to remind families of the variety of ways that you can pay for your Childcare and how this works through our Online Booking and Payment System.

Payment via Debit/Credit Card

If you plan to pay with your Debit/Credit Card, you can do so through our system. A part of the Registration Process includes adding at least one default card to your profile. This will be the card used to process any payments from in the future.

- For Ad-Hoc Bookings, your payment will be processed at the time of booking from the default card.
- For Permanent Bookings, your payment will be processed on the first working day of every month for the month ahead. For example; January's fees will be processed on Thursday 2nd January for all sessions in January.

Paying via Childcare Vouchers

Please see below information on payment via a Childcare Voucher Scheme, including timescales for crediting payments to your Childcare Bookings account:

We look forward to working with the school and supporting you with your childcare needs.
