

Y4 LEARNING LOG

Date Set: September 2017

TOPIC: Burps, Bottoms and Bile.

<p>Science - Drop grubby copper coins into a variety of different liquids of your choice i.e tomato sauce, milk, fizzy drink. Record which has the best cleaning power and why.</p>	<p>Research - Ask you family whether they have any nasty habits (like biting their nails or sucking their thumb). Record some tips to help your family give up their habits.</p>	<p>Science - Make a picture dictionary of different animals and their scat. These are useful for animal trackers.</p>
<p>Research - Find out how to look after your digestive system with some colon-cleansing foods and make a poster encouraging people to look after their guts.</p>	<p>Write - Write the top ten most interesting facts that you find out about the digestive system.</p>	<p>Maths - Measure different parts of your body in centimetres. (Arms, legs, thigh, face etc) Then convert into millimetres.</p>
Challenges		
<p>Food - Challenge yourself to cook and eat a meal that you have never tried before. Explain what you liked/didn't like about the meal. Explain the texture and taste. You could include pictures of you trying the food.</p>	<p>Make - Make a model of the digestive system labelling all of the parts and what they do.</p>	<p>Maths - Create a recipe for a healthy meal for your family. You must create a meal for under £7. Find out the prices for each of the ingredients. Present how you wish.</p>

Every week you must also:

- Read your reading book
- Practice your times table
- Practice the spellings given to you each week.
- Talk to your Mum, Dad or Carer about your homework.
