

Parkland Primary Dig-a-thon

13th February 2020

Friday 28th February 9am – 11am

Free on Friday mornings? Enjoy being outdoors, digging, gardening and planting?

We are planning to set up our Parkland Primary School Allotment to support our STEMterprise curriculum in the Spring Term. This work will be around children understanding more about where our food comes from, the timelines for growing plants and vegetables and how you grow certain foods.

We need help to clear the raised beds of weeds and grass and prepare them for growing before we can open the allotment for planting. We have 11 raised beds, but they have become quite overgrown and are currently full of weeds and grass.

If you are free and happy to come and help on **Friday 28th February** anytime from 9am – 11am during the morning, please bring any spades and forks that you have and meet at the **wooden gazebo in the playground at 9am**. You can stay for as long you feel comfortable with. **Tea, coffee and biscuits will be provided throughout the morning to keep us going!**

Additional Help:

We are also looking for volunteers who might be interested in helping to maintain the allotment on an ongoing basis by giving a little time each week or fortnightly. If this is something you would be interested in, please return the attached slip or email: Mrs Phillips (Assistant Head) at sphillips@dsatparkland.org

Any donations of garden tools, seeds and plants would be greatly appreciated.

Yours sincerely
Mrs S Phillips
Assistant Head

Please give details below if you are able to support with any of the areas described above:

Name: _____
Child in school: _____ Relationship to child: _____
Email address: _____

I will be able to support with:

- The Dig-a-thon on Friday 28th February
- Providing ongoing support with the upkeep of the allotment *(please provide details below)*
- Providing gardening tools, plants, flowers, seeds etc. *(please provide details below)*

Please give further details on the support you can provide, if relevant, below:
