

May 2020

Dear Parents/Carers,

Year 6 Residential Update

2nd – 4th September 2020

This letter is to update you about where we stand with the Year 6 Residential due to take place in September based on the current situation relating to Covid-19. We have had some enquiries from parents about whether they should continue paying the instalments for the trip as below.

Our guidance to date is that payments should continue to be made in line with the dates originally set. We will be monitoring the situation and guidance carefully over the next few weeks and will make decisions based on this and our ability to maintain the safety of our pupils closer to the time. Should we be advised, or we feel it not to be appropriate to go ahead with the trip in September, we will look at working with PGL to postpone the trip to later in the academic year or provide a full refund. As we feel strongly about the importance of this trip for Year 6 in developing social skills, independence and resilience we will look to explore all options before having to cancel the trip.

As soon as we have made a decision or have more information surrounding travel guidance moving forward, we will ensure you are informed.

As we understand this is a challenging time financially for some families, please contact your class teacher via Class Dojo or call the school office if there are any problems with following the payment schedule below. If you have not paid the next instalment due on 1st May and are able to, please do so as soon as you are able.

PGL payment instalment schedule
