EYFS need you!

If you are interested in volunteering, we would love to have your help!

Parkland pupils need adults to hear them read so that they can become fluent readers who love stories! Please join our team to help our pupils be amazing!

As a volunteer, you will come into school and work within a classroom to support children reading. The adults in class will be there to make sure you feel happy with what you have been asked to do. Training will be given before you start.

All volunteers will be subject to a DBS check and will need to complete a volunteer application.

If you would like to come in to school, then please complete the slip below.

Thank you for your support,

Sarah Bishop,

Headteacher Parklands Primary School
