

24<sup>th</sup> May 2019

Dear Parents/Carers,

**Library Poster Competition**

As a school we are trying to encourage the children to read more regularly and to use our school library more. As you may already know, the school library is now open Mondays after school from 3.10pm – 3.30pm.

The school librarians are running a competition to create posters to decorate our school library and to encourage more children to use it.

To enter you will need to: create an A4 poster, make sure your name and class is on it. Remember this is to be displayed so the poster must be bright, clear and colourful.

There will be winners from the following categories: Foundation stage, years 1 and 2, years 3 and 4, year 5 and 6 and an overall winner.

The prize will be that the posters will be enlarged and displayed around the school library. Entries will need to be handed into Mrs Carney or one of our librarians by **Monday 3<sup>rd</sup> June.**

Thank you,

Mrs Carney and the Year 5/6 Librarians.
