Strawberry Allergy IMPORTANT

Dear Parents & carers,

As we have previously communicated, we have a child attending Parkland Primary who has a severe allergy to strawberries. We would like to politely request that you do not include **ANY** products in your child's lunch box that contain strawberries i.e. strawberry yoghurt, strawberry jam and fresh strawberries. This also includes juice such as summer fruits that contain strawberries.

Whilst we understand that this is a change and needs some consideration when making packed lunches, we ask that you support us to ensure every child in school is safe.

We would like to thank all the families that have supported us in this matter so far.

We are now a nut and strawberry free school

Thank you for your co-operation in this matter.

Yours sincerely

Mrs J Andrews
Acting Headteacher
