

2nd November 2020

Diary Dates

Dear Parents & Carers,

Below you will find some upcoming events that Parkland is organising. We would like to support fundraising events but do understand that some families will be struggling financially during these difficult times. Please do **not** feel obliged to donate – your children can still join in!

We have had to change the way we hold our events this year in order to comply with our COVID-19 risk assessment. Families will not be allowed to enter school and all donations will be collected following socially distancing guidelines.

Dates for your diary:	
Harvest festival Monday 9th November to Friday 13th November	We will be collecting tins of food for the local foodbank. Please bring any tins to school and leave them in the labelled crates outside classrooms. 
Children in Need Friday 13th November	Non-school uniform day. Children may bring a donation (collections to take place in the playground before school – please drop coins into the buckets).
Christmas Decoration's Day Friday 4th December	Children will make decorations in class. Sorry – no families invited into school this year. Please see our wonderful decorations in the classroom windows! 
Christmas Jumper Day Friday 11th December	Non-school uniform day. Children may wear a Christmas jumper if they wish. Children may bring a donation for Save the Children (collections to take place in the playground before school – please drop coins into the buckets).

Thank you for your support.

Yours sincerely

Mrs J Andrews
Headteacher
