

4 June 2020

Dear Parents/Carers

## EYFS Free School Meals Update

Your child is entitled to free school meals and has been receiving a £15 voucher for each week during the school closure period. The government guidance has now changed for those year groups that are eligible to attend school. As we are now open for EYFS, from Monday 8 June, you will no longer receive a voucher for your child in this year group. If your child is attending school, then they will have their free school meal at lunchtime in school. If you have chosen not to send your child to school, then you will be eligible for a weekly food hamper.

We are waiting for confirmation from School Food Support as to the contents of the hamper, and we will write to you again with more details shortly. We will also write to confirm the arrangements for collecting the hamper.

If you have child/ren in other years groups who are not eligible to return to school yet, then you will continue to receive the voucher/s for this child in the usual way.

When we contact you again with more details about the hampers, we will be asking you to confirm that you would like a hamper, so that we can order the correct number from School Food Support.

Thank you for your continued support during these challenging times.

Yours sincerely

Mrs S Bishop  
Headteacher
