## Parkland's Read Every Day (RED) in November Challenge

At Parkland we really value reading, and the children are given plenty of opportunities to practise their reading skills. However, we do recognise that in order to make the most progress, children also need to read at home!

To encourage this we will be launching our Read Every Day (RED) November challenge. This reading challenge is to try and promote a love of reading and encourage children to read more at home. On Friday your child will receive a reading booklet (RED November). We would like them to read a book, magazine, comic, etc to an adult every day in November. All you need to do is encourage and enjoy listening to your child read and then sign their booklet to say they have read.

We really hope you take this opportunity to encourage your child to read every day. We look forward to seeing how many children can complete this exciting challenge!

Happy reading!

Mrs Raymond and Mrs Hill  
English Leads

A study by the Institute of Education found that children who read for pleasure are likely to do significantly better at school than their peers – it showed they made more progress in maths, vocabulary and spelling.
