Update: Strawberry Allergy

Dear Parents & Carers,

We have previously communicated that we are a strawberry free school, due to a child having a strawberry allergy. After consulting with the child's parents and taking medical advice we have decided that we no longer need to be strawberry free across the school.

This decision will be reviewed carefully, and we will communicate any further change to you.

We would like to remind you that we remain a **nut free** school.

We thank you for your ongoing support, as we work together to ensure every child in school is safe.

Yours sincerely,

Mrs J Andrews
Headteacher
