

# Parkland Primary School Curriculum Newsletter

Year 1

Term: Spring 1

## Maths

In maths this term Year 1 will be learning how to add and subtract within 20. We will also be looking at place value within 50.

## Reading

This term children will be continuing to apply their phonics and learn to read more sounds and words in Phase 4 and Phase 5. We will be sharing guided reading texts and discussing what we know about what we have read. We will also continue to use Sammy SMILES to help us discuss and make predictions about stories.

## Autumn 2 Topic: Moon Zoom

## English

In English this term we will use what we've learnt about nouns and adjectives to begin to write about characters or places in the texts we read.

We will continue to focus on making sure our sentences can be read by ourselves and others using capital letters, finger spaces and full stops.

We will also begin to learn about and use other punctuation such as:

- Questions marks
- Exclamation marks

## Wider Curriculum Learning Journeys

In Science we will be learning about different materials and where they come from. We will be using different materials in DT to design and create a spaceship. In History we will learn about Neil Armstrong and the moon landing.

## Computing

This term in computing Year 1 will be learning about digital writing using different software.

We will also be looking at different forms of data and grouping information.
