

Parkland Primary School Curriculum Newsletter

Year 6 Term: Spring 2

Maths

This term Year 6 are learning...

- Percentages
- Measurement
- Algebra
- Ratio

Our times tables focus is to become even more fluent in all of our times tables up to 12 x 12 (and beyond)!

Reading

This term in reading we are learning to retrieve from a text, make inferences, learn new vocabulary, work out word meaning from the text and summarise. Our Class text this term is 'Wonder', which is about an unlikely hero called August...

Spring 2 Topic Blood Heart

Wider Curriculum Learning Journeys

In science this term we will be learning about the Circulatory System; we will be learning about the heart, the blood and how we transport nutrients around the body. We will also be working scientifically to conduct an experiment about the effect of exercise on the heart. We will also be using our Design and Technology skills to plan a healthy meal.

PSHE and Wellbeing

Our PSHE topic this term is called Healthy Lifestyles. It is all about how we can all live healthy lives: both physically and mentally.

English

In English this term we are learning about explanation texts and narratives.

The key knowledge and skills we will be learning are:

- Using passive and active voice
- Using a range of punctuation such as colons, semi colons and dashes
- Using a range of sentence types including complex and compound sentences
- Using subordinating conjunctions
- Using figurative language
- Using hyphens
