

Parkland Primary School Curriculum Newsletter

Year 1

Term: Spring 2

Maths

In maths this term Year 1 will be learning place value within 50. Children will use their knowledge of tens and ones to calculate one more and one less and order and compare numbers to 50.

Wider Curriculum Learning Journeys

In Science we will be learning about how and where plants grow. Children will learn to name the key parts of plants and their purpose.

In Geography we will learn about the habitats in which different plants grow and the reasons why they grow there.

In Art we will study the artist Vincent Van Gogh and replicate some of his famous art work of sunflowers.

Reading

This term children will be continuing to apply their phonics and learn to read more sounds and words in Phase 4 and Phase 5 to prepare for our Phonics Screen. We will be sharing guided reading texts and discussing what we know about what we have read. We will also continue to use Sammy SMILES to help us discuss and make predictions about stories.

Spring 2 Topic: Enchanted Woodland

Computing

This term in computing Year 1 will be focussing on grouping data by exploring object labels then using them to sort and group objects by properties.

English

In English this term we will read traditional tales and begin to sequence sentences to form narratives by retelling the story in our writing.

We will use what we have learnt about nouns and adjectives to form descriptions of the characters.

We will learn the rules to apply different suffixes such as the plural -s or -es and the suffix -ed as in jumped.

We will also be learning to set out a non-fiction on flowers and trees.
