

Parkland Primary School Curriculum Newsletter

Year 2 Term: Summer 2

Maths

This term Year 2 are learning...

- to tell the time to five minutes
- to measure durations of time
- interpret data in tables
- to talk about position and direction

Our times tables focus is 2,3,5 and 10 and how we can use them to help solve problems involving multiplication and division.

Reading

This term in reading we are learning to make predictions and to sequence the events in a story. We will be practising all of our comprehension skills to answer questions about a variety of text styles - including poetry and non-fiction texts.

Summer 2 Topic

Changing faces

Changing places

Wider Curriculum Learning Journeys

In Science we will be looking at what animals and humans need to survive. We will also learn about how they grow from babies into adults. This will involve learning about healthy eating, exercise and cleanliness.

In History we will be learning about changes that have happened in our lifetimes.

PSHE and Wellbeing

Our PSHE topic this term is called Healthy relationships.

It is all about how we grow from babies to adults, including changes to our bodies.

English

In English this term we are learning about non-chronological reports and recounts.

The key knowledge and skills we will be learning are:

- using commas in a list
- using apostrophes for contractions and possession
- using question marks
- grouping sentences into paragraphs
- using the present and past tense correctly
