PTA Autumn Tidy – Calling for your Help!

Dear Parents & carers,

At Parkland we have high expectations for your child. Our expectations include making sure the environment is well kept and shows our pupils we value them. It isn't always easy keeping on top of such large grounds and we are asking for your help.

On **Monday 3rd October 2022 1.30pm - 3pm** we are having an '**Autumn Tidy**' afternoon. We would like to invite parents and grandparents into school to help us to tidy the school grounds. The work will be general gardening and tidying up outside. If you think you are up for the challenge and could offer us some time, then please complete the slip below. (If the weather is too wet, then we will postpone the event.)

Please wear appropriate clothing and bring gardening gloves and tools if you are able to.

Please click the link to fill in the reply slip by **Thursday 29th September**. We hope to see you in school next week.
