

Parkland Primary School Curriculum Newsletter

Year 6 Term: Autumn 1

Maths

This term Year 6 are learning about place value and the four operations:

- Reading, writing, ordering and comparing numbers to 10,000,000
- Using written methods for addition, subtraction, multiplication and division
- Learning about multiples, factors, square and cubed numbers and prime numbers

Our times tables focus is recapping the 2, 3, 4, 5, 6 and 10 times tables

Reading

This term in reading we are learning to retrieve from a text, make inferences, find out word meaning and think about vocabulary.

Our Class text this term is *The Polar Bear Explorer's Club*. It is all about a girl Stella, who is not allowed on expeditions because she is a girl! But then she goes on an adventure to the Iceland...

Autumn 1 Topic Frozen Kingdom

English

In English this term we are learning about writing a diary, a non-chronological report and a letter. We will be using our knowledge we have gained in our Geography and Science learning to help us write these.

The key knowledge and skills we will be learning are:

- Different sentence types (simple, compound, complex)
- Relative clauses
- Cohesion
- Using different independent skills to correct our spellings

Wider Curriculum Learning Journeys

In Art, we have learnt about the graffiti artist Banksy. We have learnt some new printing techniques and used these to create our own Banksy-inspired art.

In geography, we will be learning about the different biomes and climate zones of the world as well as learning about, and comparing, the Arctic and Antarctic.

In science this term we will be learning about animals and their habitats. We will be learning how to classify animals.

PSHE and Wellbeing

Our PSHE topic this term is called Health and Wellbeing-Changing Feelings. It is all about understanding our feelings, being mindful of others feelings and managing difficult emotions.
