## Parkland's Read Every Day (RED) in November Challenge

At Parkland we really value reading, and although the children are given plenty of opportunities to practise their reading skills, we recognise that in order to make the most progress, children also need to read at home!

Therefore, we are launching our very popular Read Every Day (RED) November challenge again this year. We have decided to do RED November again as we have found that this challenge really encourages many of our children to enjoy reading at home as well as when they are in school.

As such, your child will receive a reading booklet (RED November) next week. Can we please ask that you encourage them to read to at home and that an adult signs the booklet to indicate that they have read. The children can read a book of their own choice, a magazine, a library book or their school book. This is a great opportunity for you and your child or anyone in the family to enjoy some quality time reading together.

We really hope you will encourage your child to read every day. We look forward to seeing how many children can complete this exciting challenge!

Happy reading!

Mrs Raymond and Mr Garner  
KS2 English Leads
