Headteacher Changes

Dear Parents & Carers,

I am writing to inform you about changes to the leadership at Parkland. Discovery Trust have formed a partnership with Badgerbrook Primary school, and I have agreed to go as Interim Headteacher for one year from August 2023. I will then return to Parkland as Headteacher in August 2024. It was not an easy decision to agree to take on the role as I have been at Parkland for so long and love being part of such a wonderful school.

Mr Hayes will be Interim Headteacher for the academic year 2023-24 and Mrs Phillips will be stepping up as Interim Deputy Head, so I know I am leaving you in good hands. Parkland has an amazing team of staff who go above and beyond for all of our pupils. I know that the high expectations will be maintained next year and that the ethos and values will continue to be driven by the team.

I will spend time in the coming weeks to ensure that Mr Hayes and the leadership team are ready to take on this new challenge next year. The Trust will also continue to work closely with them to ensure they are supported. Parkland will have a leadership team who already know the school and the community well and I am confident the school will continue to go from strength to strength.

Yours sincerely

Mrs J Andrews
Headteacher
