Communication over Summer

Dear Parents and Carers

During the summer holidays, you may wish to contact the school for information regarding the beginning of term or you may have a safeguarding concern that school needs to be aware of. If you have a concern or need some information, can you please email using the appropriate email address below. The admin and SLT teams have access to these emails and will be checking them over the summer.

General school information – admin@dsatparkland.org

Safeguarding concern – dsl@dsatparkland.org

During the summer holidays, Class Dojo accounts will be archived. Accounts for new classes will be set up when we return to school. It will not be possible to contact class teachers using this platform over the summer.

We look forward to seeing you on Tuesday 29th August.

Kind regards

Jo Andrews
