Ofsted Outcome

Dear Parents/Carers

I hope this letter finds you well. I am writing to inform you that Parkland Primary School underwent an Ofsted inspection on the 26th and 27th of September this term. I am extremely pleased to share that our school has maintained its "Good" rating, reflecting the hard work and dedication of our staff, pupils, parents, and the wider school community.

Firstly, I would like to express my thanks to all the staff members for their continued hard work in providing an excellent education to our children. Their ongoing hard work, professionalism, and dedication did not go unnoticed during the inspection process, and we appreciate their continuous efforts to create a positive learning environment.

Furthermore, I would like to say thank you to parents for the kind messages of support and valuable feedback that we have received during this period. Your active involvement in your child's education, as evidenced by the feedback provided through the parents' survey, is greatly appreciated and plays an integral role in our ongoing success as a school.

As part of the inspection, Ofsted acknowledged and commended our school's focus on prioritising reading. It was highlighted that the teaching of phonics is well sequenced, enabling our pupils to develop strong foundational reading skills. Additionally, our mathematics curriculum was praised for providing opportunities for pupils to develop key maths fluency skills which can be applied to various real-life contexts.

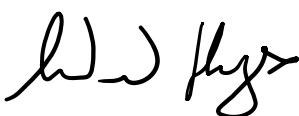

Ofsted also recognised the support provided to our pupils with special educational needs and disabilities (SEND). The inspection team specifically noted that learning is suitably adapted, and SEND pupils receive excellent support within mainstream lessons. Finally, the Ofsted inspector noted the pastoral offer we have at Parkland and the support that children receive to ensure that they feel happy and safe in school.

Rest assured, we will continue to build upon our successes and strive for further improvement. Our commitment to providing a high-quality education and ensuring the well-being of every child remains our utmost priority.

Once again, I would like to thank you for your ongoing support and commitment to our school community. I have attached a link to the Ofsted website so that you can read the report in full.
